

WORDS FROM A BROKEN HEART

Carry on with your lies

Tarry on in your state

Determine your fate

By your deceitful cries

Woman you're a monster

Your breath is a lie

Even when you sigh

The crocodile will deny

Those tears are too dry

Woman you're a snake

Go on with your walk

Take to bed your thoughts

Dream of your awful nets

Reap your wicked talk

Woman you're a cheat

You used me

When my heart loved you

You tricked me

When the sun was up

Woman you're a robber

You pounded my heart

The dust must settle

You robbed me of trust

I will flee the devil

Woman you're evil

Now I have learnt

Never to love again

Never to train

My heart to love again

Woman you're a pot

THE
POERTY MARKET

You're a recipe of deception

The very fire of hell

The melody of lies

The wand of misery

Woman you're a witch

She lit a fire

She set my heart ablaze

She watched me burn

She saw my heart glowing

In the flames of regret
