

THE TWIN INSTITUTION

PART FOUR: CONCLUSION

Today we walk into a Labour ward together. A woman carrying twins has just delivered the first one of the two. How long do you think it will take for the other twin to be born? Well, this is a practical example of what is currently happening.

We have discovered in our study titled “THE TWIN INSTITUTION” that Marriage and The Sabbath are Twin institutions ordained by God at creation for His glory in the benefit of humanity. We have also discovered that Satan hates these twins and seeks to make them of non-effect by introducing counterfeit twins. In the opening example of a woman giving birth to twins is an eye opening lesson.

Planet earth has given birth to the first counterfeit twin already. The twin comes in the form of Homosexuality, Polygamy, Unlawful divorce and Early Marriages. This twin is a direct attack on one of God’s institutions at creation, marriage! We can clearly see this happening in our daily newspaper articles. So, if the first twin has already been delivered how long do you think it will be for the other twin (compulsory Sunday worship) to be born?

A time is coming when our now compassionate mediator, the man Christ Jesus (1 Timothy 2:5), will put off the priestly garments and put on the garments of vengeance. It is what is termed the “Close of Probation”. Then mercy will no longer plead for the guilty inhabitants of planet earth. At that time men will have their decisions sealed for eternal death or eternal life. And what tells that probation has closed for those that have known the truth is the second twin (compulsory Sunday worship), in the drama called the “National Sunday Law” of the “New World Order”.

Time is running out! “...now [it is] high time to awake out of sleep: for now [is] our salvation nearer than when we believed.” – Romans 13:11. What is soon to burst open upon our planet is something that has never been seen or experienced. It is trouble and confusion that is to shake us to the core. The unrest being witnessed now; murder, tsunamis, volcanic eruptions, plane crashes, corruption, people walking naked in the name of fashion, drastic changes in weather patterns, men marrying men, women marrying women, strange diseases appearing on the scene and life becoming more difficult is just but the beginning of what we will soon see.

Have you accepted Christ Dear one?
