والشركات التابعة لها and its affiliates

**إعلان: خدمة البريد الإلكتروني من خارج الشركة**  
**Announcement: Emails from outside SAHARA**

Dear Customers,

SAHARA Information Technologies has enable the emails from outside the company. Which will allow employees to send/received emails configured on the Mobile Devices or Laptops.

Moreover we have create new email to report any spam or suspicious emails. So in case to report spam email do not open it just you need to create new email and add the SPAM email as attachment then send it to:

Report SPAM Email  
confidential

الأمن والحماية منظومة متكاملة تبدأ بك أولاً.

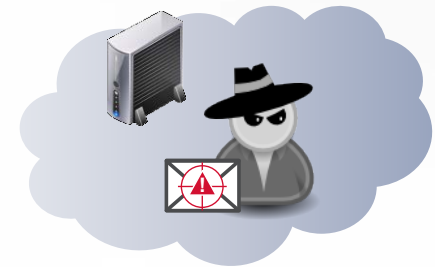

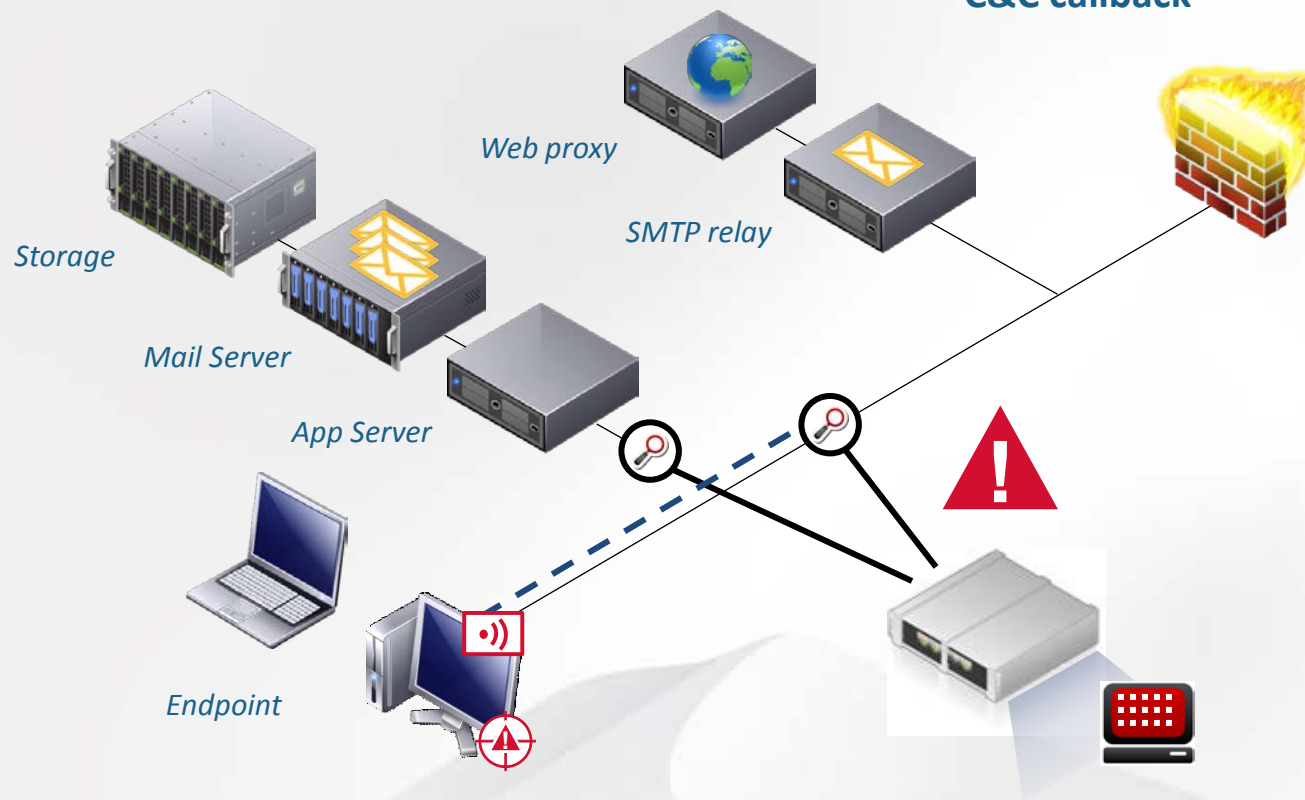

Security & Protection integrated system starting from you.

Best regards,  
Information Technology Department

أطيب التحيات،
