Ebenezer UMC Preschool
December 2017

Dear Ebenezer Preschool Families,

Thank you for attending our recent parent-teacher conference. I appreciate you taking the time to meet with your child's teacher, and I hope that the meeting was able to provide you with some valuable insight into your child's progress in school. If you have any question or concerns, please see me in the office or contact me via e-mail. I am looking forward to continuing our partnership throughout the remainder of the year.

Safety is always a priority at our school. Please work on safety rules with your child while they are in the parking lot.

Watch for Children. Although you may always keep a close eye on your youngster in parking lots, don't assume everyone else does the same.

Please drive cautiously when arriving to pick your child up and when leaving the parking lot.

Why is Christmas also called Xmas?

Another commonly used word for Christmas is Xmas. Do you know why we call it so? The "X" in Xmas is Christ in Greek language. So, Xmas is essentially a shorthand word for Christmas
