When you purchase a membership in the Tiger Nation Booster Club, you will receive passes for all home games at Eisenhower High School, Eisenhower Middle School, Goddard High School, and Goddard Middle School (excluding KSHSAA competitions). All money raised by the Booster Club in memberships, apparel sales, tailgating, and other activities throughout the year will be donated back to support our students at Eisenhower High School and Eisenhower Middle School. Volunteers are the key to making all of this possible. Please consider donating some of your time throughout the year to keep us successful!
