

SERIALIZATION - Are you Ready?

Premium Suite Available Now!

Serialization is happening - the technology and infrastructure are being put in place, but do your employees know how it impacts them and what is required? Skillpad's Premium **6-Lesson Suite** will bridge the knowledge gap!

Critical serialization concepts are presented via engaging multimedia, interactive exercises and knowledge checks. This Suite can be taken online or deployed to your LMS, and can be tailored to your organization's exact specifications, and line set ups!

- Four Level Serialization Structure
- Serial Number Generation
- Serial Number Transmission
- Aggregation & Error Management
- Serialization and the Supply Chain
- Exception Events
