

U.S. NAVAL SEA CADET CORPS

LONE SAILOR DIVISION

Dear Educator:

This letter is to attest that your student is attending a training with the US Naval Sea Cadet Corps during the weekend of January 24th, 2020. This Central Florida Winter Field Training Exercise (FTX) is an amazing opportunity to enhance your student's growth. It will consist of a battery of classes (Emergency Medical, Navigation, Basic Survival etc.) and demonstrations from over twelve instructors that will enrich their knowledge and skills base.

About the USNSCC: Founded in 1958 by the Navy League of the United States at the request of the Department of the Navy. In 1962, the United States Naval Sea Cadet Corps was chartered under Title 36 of the United States Code as a non-profit youth organization with an emphasis towards the sea-going services of the United States.

On behalf of our Training Commander, LT. Dover and myself, we ask that your student be excused early from school on Friday the 24th of January, 2020 for this excellent opportunity to grow as a responsible future leader in our community.

Regards,

ENS Larry Reinhart USNSCC
Executive Officer
Lone Sailor Division
