**Weekly Schedule.** The typical weekly schedule will be as follows:

Monday:	Military Drill / Physical Training (PT)
Tuesday:	Uniform Inspection / Military Drill / PARS
Wednesday:	Academics / Current Events
Thursday:	Academics / Current Events
Friday:	Physical Training (PT)

<b>Course Grading:</b>	Academics (50%):	20%	Tests / Projects
		20%	Homework / Classwork / Quizzes
		10%	Final Exam
	Military Bearing (50%):	20%	Uniform Inspections
		10%	Military Drill / Weekly Physical Training
		10%	Program Aptitude / Service
		10%	Physical Fitness Test (PFT)

**Military Drill.** Drill is designed to develop teamwork, attention to detail, and precision. There is great value in the lessons taught through close-order drill. We will use this time to enhance individual and group skills, as well as to practice for upcoming parades, inspections, and formal outings occurring throughout the school year.

**Uniform Inspections.** Uniforms will generally be worn every Tuesday, but may also be prescribed on other occasions. **This is a mandatory requirement of the program.** Not wearing your uniform as required will result in a “zero” for the week. You may wear it the next school day to receive a maximum grade of “50.” **If you are absent on a uniform day, you must wear your uniform the first day you return to school.** The uniform you are issued is an official Navy uniform, with only minor modifications. When you wear it, you represent yourself, your fellow Cadets, Hillgrove NJROTC, and the U. S. Navy to all who see you; prepare accordingly. Those receiving a uniform grade < 80 for the semester, will typically be dis-enrolled from the NJROTC program.

**Physical Training (PT).** PT is required for all cadets, unless medically excused. Cadets are expected to perform stretching, calisthenics, and walking/running type exercises. Cadets must bring running shoes and NJROTC PT clothing to class on PT days. **Cadets will not be allowed to PT if not in athletic attire and will receive a “0” for the day.** Not wearing the prescribed PT clothing will result in a less than full credit grade. Expect to be outdoors when the weather is suitable; dress accordingly. You will only be excused from PT with a note, email, or phone call from a parent or guardian prior to the scheduled PT session or if a limitation is noted in your Standard Release, Health Risk Screening, or CCSD Physical. **All cadets will participate in the physical fitness test each semester unless medically excused.** PFT requirements/grading will be promulgated in class.

**CCSD Sports Physicals are required to participate in Navy JROTC.** Students who do not have a current CCSD sports physical at the end of each semester will be dis-enrolled from the program. Additionally, students cannot participate in our semi-annual physical fitness test, resulting in a “zero” for this test grade.

**Current Events.** We will discuss current events/issues, as they relate to our Navy, military, national security, government, or other areas related to the NJROTC curriculum. Students will be required to periodically turn in a handwritten or typed summary of their current event, to include three parts. The first will discuss basic facts, the second how it relates to Navy JROTC, and the last will discuss how it may affect you now or in the future and/or your opinion of your selected event. Be prepared to discuss your current event with the class.

**Military/Program Aptitude and School Community Involvement.** Aptitude is a cadet’s willingness, level of effort, and attitude in completing the requirements of the Navy JROTC program. Their bearing and conduct in and out of uniform, timeliness, respect for constituted authority, and conforming to the rules and regulations of both the Navy JROTC program and our school are all important factors in Military/Program Aptitude. Aptitude may be physical or mental and represents knowledge or ability that is gained through learning. 50% (5 points) earned by each cadet are subjective based on the items listed above. The remaining 50% (5 points) will be based on service hours performed. School and community service is a large portion of the Navy JROTC program.

As a result, it is expected that Cadets will complete a minimum level of service related activities. Cadets are encouraged to complete as many NJROTC related service hours as possible, but are required to complete at least ten hours per semester. Cadets will earn 1 point on their aptitude grade for each 2 hours of community service performed during each semester; 10 or more service hours will yield the maximum 5pts. **Cadets must complete at least five community service hours per school year to remain an active member of the program.**

**Personal Advancement Requirements (PARS).** Cadets MUST continually work toward enhancing their standing within the NJROTC program. This is accomplished, in part, through advancement to the next higher rank via the completion of PARS. Cadets should successfully advance at least once per year to remain enrolled in the NJROTC program. Cadets will receive two test grades per semester based on their level of PARS completion. **Cadets who fail to complete and/or turn-in PARS, will typically be disenrolled from the program.**

**Class Rules.** The class rules are based on the NJROTC core values of Honor, Courage, and Commitment. These rules apply for behavior in the classroom, school, and daily life. Your actions reflect directly on your personal reputation, as well as your unit and school wherever you are.

1. Be on time and be prepared to give your best effort! No excuses!
2. Display the highest level of integrity at all times, showing the proper level of respect at all times: "Yes Sir," "No Ma'am, and "Attention on Deck."
3. Judge others and their opinions by their actions/merits, not their race, religion, gender or any other perceived differences.
4. Abide by Hillgrove's NJROTC Code of Conduct at all times.
5. **Cell phone use is not permitted in the classroom and cell phones will not be carried outside during military drill or physical training without permission of the SNSI or NSI.**

**Consequences of Not Following Program/Class Rules.**

1. Verbal Warning
2. Morning or Afternoon Detention
3. Referral to School Administration
4. Removal from the Program

**Make-up Work Policy.** Make-up work will be allowed for student absences and will be due a maximum of five school days after the student returns from an absence.

**Late Assignments.** Any assigned homework will typically be checked/collected at the beginning of class. Late assignments will be accepted, but will result in a loss of a minimum of 10 pts for each day late. Current events will not be accepted after Friday of the week they were originally due.

**Extra Instructional Time/Tutoring.** I will generally be available after school Monday through Thursday until 1630 for extra instruction. You may also arrange to meet with me prior to school, as needed.

**Instructor Contact.** For NJROTC specific questions, use your fellow cadets or unit leadership first. If you have questions concerning course academics or other academic related issues, feel free to contact me at any time. I am available via email [allen.harris@cobbk12.org](mailto:allen.harris@cobbk12.org) or by phone at (678)331-3961 ext. 1307.

**Keep the syllabus portion and return this sheet signed by cadet and parent/guardian**

**----- RETURN TO NSI BY January 14, 2019 -----**
