

INDOOR+FIELD

It doesn't matter if you make video clips of outdoor field hockey or indoor hockey. Richard and Dennis are specialists in both sports!

UPLOADS

In the Coaching Plan you can upload 3 video's each week. Do you want more? That's possible, email us to see what's possible!

DISCOUNT

When you're in the community and want to scale up your plan to a 3 month, 6 month or 10 month coaching plan you don't get a discount. When you already have a plan and you're want to extend your plan, send an email to us to find out how much you can save!

DEVELOPMENT CONVERSATION

Start • questions • feedback • development plan

To set up your plan and where we will focus on a 'conversation' is needed. Upload a video of maximum 15 minutes where you will ask all your questions, set your goals and a start of your plan. We will come back at it in a maximum 15 minutes feedback video with answers to your questions and a plan where we will work on!

EVALUATION CONVERSATION

Growing • questions • feedback • evaluation

This video 'conversation' can be anywhere in your plan, in the middle or at the end, it's up to you! Here we can have a look-back at your plan, or a feedback on the first part of you plan and looking forward to the rest!

DATABASE

Technique • video

In the coaching plan you will also get the access to a database of the techniques for the dragflick and the goalies. Here you can have a look back on how our vision is, and in the feedback on the video's we will direct to this video's to make our feedback more clear.
