WHO IS SHELLEM CLINE

Shellem Cline is a national award-winning artist with a desire to share the Love of Christ with the world. Born in North Carolina, Cline grew up singing with his family, The Gilbert Family, traveling locally. When his grandfather was diagnosed with Crones disease, the family left the road but Shellem continued to pursue a solo ministry. Since then, Shellem has seen a major growth within his ministry and has become a household name within the Southern Gospel/Christian Country genre. Shellem has stated on several occasions that seeing souls saved is his number 1 priority and every time he stands to sing, winning souls is his ultimate goal. Since going full time in ministry, Shellem has seen over 100 souls come to know Jesus Christ!

ABOUT THE MINISTRY

Shellem has been singing since the age of 10 but began his full time ministry in 2015. Cline has sang around 150 dates a year nationwide in not only churches, but venues like auction houses, campgrounds, fairs and festivals and senior centers. While Shellem loves sharing his ministry with churches, it is his desire to reach an audience that may never step foot inside the church. Shellem stated in a radio interview that “My ministry is about reaching those that may not look like us, but still need Jesus, those that many times we as Christians overlook.” One of the tunes from Shellem, “Why Can’t Christians Share The Love Of Christ?” shares a story of an event that proves that those words are what he lives by.

Shellem is not just another artist, he is a minister. Not only will he sing, but Shellem will share testimonies and stories of the songs as well as a little comedy to make the congregation remember its ok to smile and be happy in the Lord. He uses all this to create a form of worship that solely reflects the love of Jesus Christ. He has stated several times before “I am not an entertainer, I come to minister and if you laugh while in the service, then that’s just an extra bonus!”

Reviews

Wow! What a service. Shellem not only brought great music but he even started preaching! God is really using this young man- Rev. Johnny W. (Winder GA)

I am not a Southern Gospel or Christian Country fan, but I must say Shellem has changed my mind. He is not a performer, he is a minister and the service was not about "look at me" it was all about God. – Rev. Daniel B. (Jenkins, KY)

Our Youth and Adults loved him! His stories, his songs and even the comedy had the whole congregation engaged the entire time. – Bethany R. (Music Director Westminster, SC)

We have concerts four times a year at our church and have had some of the biggest names in the industry, but we have never had a service like we did with Shellem. It was truly a service! It was just worship! My Adults, and youth loved him and usually the youth are not fans of Southern Gospel. We will have him every year for sure! Rev. Tommy S. (Scottsboro AL)

“Shellem Cline caught the attention of my youth, while stealing the hearts of my Senior Saints! What a young man! My church is still talking about him!” – Rev. *Tom R. Greenwood, SC*

“Shellem is the best! I saw him at a concert in Troutman, and had to have him at my church! What a service in both places, such excitement and passion he shows for the Lord”- Rev. *Harold T. Harmony, NC*
