

To whom it may concern,

The Teepee Creek Jr. Rodeo is a thriving club of over 100 young athletes. We created our club in 2017, when a group of parents joined together to give our children, who dream of competing in an arena, a chance to compete, practice and learn the safety and technicalities of the sport.

With overwhelming success in our first year, we have decided to continue. The children in our club will have the opportunity to compete in as many, or as few events as they wish. Our goal is to encourage these budding cowboys/cowgirls by letting them explore as many events as possible while being guided by experienced and seasoned athletes, who take pride in competing in the sport of rodeo.

This year we have plans to hold six regular rodeos and seven clinic dates throughout the months of Oct 2019- March 2020 in order to give the children several opportunities to perform and gain confidence in the events of their choice. We will finish off the year, March 28 with our Final Event. We would love the ability to offer lots of great prizes and awards to recognize the hard work the children have displayed throughout the year

Unfortunately, we are unable to make all these plans a reality without a bit of help. As a club, we are reaching out to our surrounding community in hopes of obtaining financial support that will assist the youth in the North Region pursue their dreams within the world of rodeo.

This is our third year operating our club and we hope to not only continue it, but to grow bigger and better with each year. We are looking to partner with a few kind and generous sponsors as we grow the Teepee Creek Jr. Rodeo Club. Together we can give these children a fun and safe place to learn and excel as rodeo athletes. A place where they can gain confidence in themselves and build self-esteem. Where new friendships are made, and they can have fun learning in a safe environment.

As you know, this requires a lot of time and volunteers, but it also requires a lot of financial support to organize and hold events like these. Our major expenses include arena rentals, stock fees, equipment so we can teach effectively and awards. We have created and included some amazing sponsorship packages for your consideration. These packages also offer our generous sponsors some fantastic perks! Sponsorship will run Jan- Dec 2020. If you think this is something you would like to be involved in or would like more information on how you can help, please contact hamiltonjessica@live.ca. You can also find us on Facebook.

Let's partner up and make some young athlete's dreams come true!
