Frequently Asked Questions:

What does the retreat look like?

On arrival, we can't wait to warmly greet you. Our day begins introducing ourselves to each other, giving time to establish trust and create a supportive environment where sharing within the group remains private and confidential.

We move through the program making sure each participant understands and is able to process each subject. We have incorporated digital presentations, fun activities and a special silent time to connect with nature and relax.

You will be given opportunities to ask questions and share ideas. You are important to us and we know that you will benefit from our teachings which will enhance your life positively and profoundly.

What can I expect for my investment?

This weekend workshop retreat is valued at AUD \$1,250.00 (ca. €770 Euros),

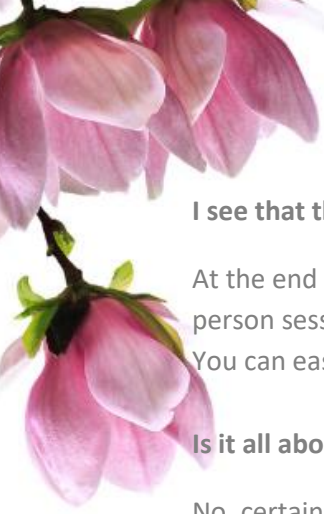

We bring it to you at the early bird price (before the 16th of August 2019) of AUD \$787.50 (ca. € 470 Euros). Full price is AUD \$875 (ca. €525 Euros) after 31 July 2019.

It includes:

- Shared accommodation
- All meals, coffee, tea, biscuits
- A free workbook
- A free Skype or in-person session with Nantah and Maxima each
- A bonus gift
- And of course all activities during the workshop itself

Is there anything I need to pay for separately?

Any drinks other than coffee, tea or water during the workshop must be paid separately by you directly to the hotel.

I see that there are Skype or in-person sessions with Maxima and Nantah after the retreats.

At the end of the second day we will set dates/times with you for your one-on-one Skype or in-person sessions with Nantah and Maxima.

You can easily open a Skype account. It's free to download and easy to setup at www.skype.com.

Is it all about meditation?

No, certainly not. There will be a few meditations, but this is not a meditation course.

Who can attend?

Anyone from the age of 18 can attend.

Why are Nantah and Maxima coming Australia to The Netherlands?

They are bringing the retreats home to the country where Maxima was born; The Netherlands.

Both Nantah and Maxima have developed their own programs and are teachers, healers and authors; what they bring is authentic and their programs are one of a kind.

They are unique in that they bring their psychic and intuitive abilities to the retreats.

They both are passionate about helping other people and have extensive experience in this field.

Is the retreat presented in English or in Dutch?

In English.

Does that mean that I have to be able to speak English really well?

No, basic English is good enough. If there is anything that you do not understand, Maxima can translate. Please don't be nervous about speaking English. This is not an English course and we don't expect perfection. As a matter of fact, Maxima still has a pretty thick accent, and still learns new English words every day.

Should you have any questions, please do not hesitate to email us.

We look forward to assisting you to move forward with your life!

Kindest regards,

Maxima Miller & Nantah Ensom
