**More Information:**

Are you interested in vanilla bean?

we are specialized in the trade, supplier and export of high-quality vanilla beans all year round to different parts of the world. The pods are simply spectacular from Grade A, B vanilla pods without blemishes, defects or galls and which are well oily. They are rich and sweet and the thinnest type. Vanilla products made from Bourbon vanilla beans, fruity, sweet creamy, hay-like aroma with vanillin.
