**\*Please Note:** Our calendar is established with the age and needs of the young children we serve in mind. **Highlighted entries are days that we are closed.** Those highlighted in red are special events at the School, and more information will be included in their respective month's newsletter and/or in other communications. **We are closed on Parent-Teacher Conference days, also noted in red.** Field Trips and In-House Enrichment programs will be communicated as they are scheduled during the school year, **and there will be a half-day dismissal on Field Trip days.** GMS reserves the right to modify our calendar's dates/times and/or close additional days, for any teacher development opportunities or other reason that the School deems appropriate. We will do our best to provide ample notice of any such modifications or additional closings. GMS does not make up days due to inclement weather, and there is no credit for closings included in this calendar and/or any additional closings that may subsequently occur throughout the year at the School's discretion. Requests for substitution of days for school closings can not be granted.
