

An *עצה* from HaGaon Rabbi Yaakov Kamenetsky זצ"ל*

In addition to the *לימוד התורה* and the *תפילות* we do on behalf of those in need of a *רפואה*, let's Daven to Hashem that He reveal to us the cures for all the various *מחלות*.

“Hashem prepares a cure before sending a disease (*מסכת מגילה י"ג:*). Therefore a cure must already exist in nature and is just waiting to be discovered.”

For Example:

Yehi Ratzon Mil'fa'necha She'yigalah lawnu harefuah bishvil leukemia.

יהי רצון מלפניך שיגלה לנו הרפואה בשביל לוקימיע *Leukemia*

* Based on a thought brought down in “Reb Yaakov” (Mesorah Publications).
