Effectiveness**

**JOSEPH GRIFFITH  
ENTERPRISES  
Catastrophe Facilitation  
Services**

**Our experts recognize there is a need to improve the way  
Insurance Carriers work Catastrophic Events.**

**Effective facilitation of both daily and catastrophic claims  
allows for an increase in:**

**Customer Satisfaction  
Employee Engagement  
Productivity  
Policy Retention  
&  
New Policy Acquisition**

**Every complex event needs effective leaders who will ensure  
their team receives effective training, motivation and support  
prior to and throughout the CAT event. The process  
developed by Joseph Griffith Enterprises allows carriers to  
identify staff who will best lead their CAT teams to  
successful outcomes.**

**Joseph Griffith Enterprises will teach you how to make your  
company a top performer during the next catastrophe!**

# Meet the experts...

**Joseph “Joe” Griffith, PsyD
