CANADIAN COW DOG FUTURITY

Mission Statement

To showcase and promote registered stock dog bloodlines through breeder/owner bloodstock recognition by encouraging proper raising and training culminating with a sponsored futurity and aged events including sire & dam incentives.

Goals

- To provide an avenue for stock dog breeders to gain recognition for their genetic achievements.
- To encourage and recognize proper and timely training of young stock dogs by breeders/owners and trainers.
- To promote ongoing training and competition of aged (finished) stock dogs.
- To bring awareness to the public and showcase the usefulness and benefits of well bred, properly trained stock dogs.

2019 FUTURITY DOGS

ENTRY #19002 “Jess” CBCA 12850 B/D - April 6/16

Owner - Andrew & Remy Campbell, Cypress County, AB
Handler - Remy Campbell

Jess came to me as a 7 week old puppy bred by my brother and sister in law, my first stock dog since coming to Canada from New Zealand in 2010. I use Jess on our grazing co-op in the summer for moving pairs, and in the winter for gathering our bull battery. We have a small group of sheep that she loves to train on. I started trialling Jess in the fall of 2018 and since then we have attended a number of trials across Alberta and Saskatchewan. Jess loves nothing more than to work and is a huge asset to our daily ranch work.

ENTRY #19003 “Maggie” CBCA 12842 B/D - April 13/16

Owner - Peter & Pam Gonnet, Outlook, SK
Handler - Peter Gonnet

Maggie is a product of our 36 year breeding program. She is used daily on both sheep and cattle. I started to trial her last year and she is coming along nicely. Maggie is an outstanding asset to our kennel.

ENTRY #19004 “H70 Toad” CBCA 13057 B/D - July 11/16

Owner - Sherry Creech, Lloydminster, AB
Handler - Sherry Creech

H70 Toad is a large framed dog with medium to loose eye that can really get out and cover the ground. Whether on the ranch or in the arena Toad is a real pleasure to work, with good feel for stock and confidence on both the head and heel. When not at work Toad is quite content to lounge at the door till the next job starts. His laid back attitude and style on stock ensures his future at Hill 70 Quantock Ranch is secure.

ENTRY #19005 “H70 Chico” CBCA 13063 B/D - July 11/16

Owner - Rosemary Currie, Paynton, SK
Handler - Rosemary Currie

I purchased Chick at 15 months of age with some stock exposure, but little training. She is fast on her feet and the wheels in her mind are always turning. She likes to please and listen and tries extremely hard to do what is asked of her. She is not the toughest most fearless dog around, but her good feel and stock sense combined with her strong instinct to always get her stock moved makes her successful in most situations. I hope to get working younger pairs with her next spring. Chick has been a great dog to own and learn with.

ENTRY #19006 “Cash” CBCA 12686 B/D - Jan 18/16

Owner - Milton Scott, Airdrie, AB
Handler - Milton Scott

I acquired Cash in a trade deal 3-4 months ago. I am very pleased to own a quality cow dog like Cash.

ENTRY #19007 “RVR Jak” CBCA12578 B/D - Dec 25/15

Owner - Erin Peters
Handler - Erin Peters

I bought Jak when he was just over a year old from Rafter V Ranch. He is my first cattle dog so we are learning together. He is a great first dog as he is thoughtful and likes to please. He has been a great asset to my cow/calf operation and in the last year have enjoyed getting into trialling.

ENTRY #19008 "JR Jane" CBCA 15786 B/D - April 7/16

Owner - Dustin Gonnet, Cayley, AB

Handler - Dustin Gonnet

Jane came to me as a young green dog, but through a lot of hard work she has come to be a real asset to our ranch. Jane is very good at moving large herds and works well with her teammates.

ENTRY #19009 "RVR Jett" CBCA 12954 B/D - May 15/16

Owner - Marcel & Jolie Vermette, Outlook, SK

Handler - Jolie Vermette

RVR Jett was one of the first pups produced by JR Vaquero. He and four litter mates were all started at Rafter V Ranch and all showed great characteristics as cow dog prospects. "Jett" has incredible style and patience with his stock which we appreciate. We are looking forward to his future in the trial arena and on the ranch.

ENTRY #19010 "Sheep Creek Mint" CBCA 13946 B/D - June 2/16

Owner- Ken MacKenzie, Drayton Valley, AB

Handler - Ken MacKenzie

This will be Mint's first trial. I hope she and I get the job done!

ENTRY #19011 "JR Belle" CBCA 14737 B/D April 6/16

Owner: Kevin Donald, Jansen, SK

Handler: Kevin Donald

Belle came to Et Lasta Kennel from a phone call from a friend saying "I found you a dog, you need to send me some money and I'll bring her home for you. After a five minute "think" I agreed and Belle has been driving feed truck every winter since.

ENTRY #19012 "Tick" CBCA 12834 B/D Dec 29/15

Owner: Carole Conn, Jansen, SK

Handler: Kevin Donald

Carole gave Tick to me (Kevin) for Father's Day as a pup. Anyone that knows this dog will agree that he has been a handful for my first dog!

ENTRY #19013 "GS Ranch Grit's Iron Will" ASCA E198993 B/D Apr 22/16

Owner: Sarah Martin, Vermillion, AB

Handler: Sarah Martin

Will was born and bred at GS Ranch, home to a 700 cow/calf operation and 130 head lambing operation. He has limited trialling experience but has shown to be an asset here on the ranch. Will is a really fun dog to trial when his young age and teenager attitude doesn't get the better of him. Will has a lot of heart and will work both sheep and cattle. It's a pleasure to work Will as he is very eager to please.
