From Pastor Mike....

The month of May was the last time I wrote a newsletter article. In the opening paragraph I quoted Ecclesiastes 3:1, which says, "To everything there is a season." In the following words I related many of the upcoming events of the summer, concluding with our annual mission trip to Harlan County. Tuesday night of that trip was when God's plans took precedence over my plans, relegating my next two months to rehab and recovery.

As I think through that time, I cannot help but consider the grace of God that was overwhelmingly evidenced at every step of our journey. If I were to say the words "Thank you" every day for the rest of my life, it would not come close to expressing the gratitude I feel for all that God has done, especially through you. I am amazed! There is so much to be grateful for: all of the meals, the cards, the words of encouragement, the kindness, and especially the prayers. Were it not for your prayers, I don't believe I would have survived this season. Because you prayed, the grace of God became a tangible reality. Deb and I are humbled. God is good!

Please don't stop praying! It is obvious that God is not through working. And it is so much more than just me. It is **US**! God has gone out of His way to keep Memorial Baptist Church alive. Given, there are many things you and I would dearly love to see change. But I have no doubt that we are in a season of preparation for what God has preserved us for. Call it destiny.

Call it the sovereignty of Almighty God. But never ever forget that were it not for the grace of God, we would all be less than we are, and far from any hope of becoming everything that God intends for us to be.

We are His. We are here. And Deb and I continue to be.....

Yours for His Kingdom come,

Pastor Mike
