

# THE NORTH POLE EXPRESS

## The North Pole Express Stalls 2019

Dear Stallholders, Charities & Small Businesses,

The North Pole Express is the Plym Valley Railway's largest event. During 2018 around 5000 passengers travelled with us. The event is predominately aimed at families and around 1/3 of our customers are children. This provides the perfect festive setting and a large target audience for stallholders. In the last few years year we have invested in our added attractions and have purchased wooden Summer Houses for stalls giving a more permanent set up to marquees, all of which will have electric and lighting and will be seasonally decorated. We have also added a large Christmas tree to the area to attract visitors. This year we have made some changes to the event which will mean that the public spend longer in the stall area. Once booking you will be given one of six summer houses (7x5'). All interior items must be provided i.e. tables but it is up to you as stallholders how a stall is set up. This is perfect for anyone with a range of products or small portable business.

The rates for stalls are very reasonable. The passenger numbers per day will be approximately 900.

Per Date	Four or more dates
£10	Save 10%

If you are interested in a stall please use the link here to reserve a space.

<https://plymrail.digitickets.co.uk/event-tickets/15146?catID=13546>. Payment is needed before a booking can be confirmed. If selecting more than one date, please add 1 stall and select the date, press add to cart and then continue shopping and select another stall and then the next date.

Alternatively, if you have any questions feel free to email [plymrail@yahoo.co.uk](mailto:plymrail@yahoo.co.uk)

Please note: It is not possible to transfer or sell a stall pitch.

Thanks

Daniel Phillips
