## President Jan's Weekly Words ...

### Presidents News

It was a very interesting talk from Superintendent Jason Joyce at last week's meeting. He gave us an insight into the kind of leader he is and how he teaches his junior officer to have respect and dignity while dealing with the public. The Hills Local Command is supporting mental health and domestic violence and Youth ambassadors are working with them on these issues. Interestingly, part of our Club plan is to support both these in our local area and we have already a date on the calendar to join the White Ribbon March which takes place on 23rd November. The march is in support of domestic violence and goes from The Towers to the Castle Hill RSL Club.

In two weeks' time our Club assembly will be held at the Entrata Restaurant corner of Bannerman Road and Glenhaven Road. The Board will be presenting their plans for the year, a very important meeting and it is hoped that all members will be in attendance, to enable us to work together to achieve our goals. We cannot do it alone, we need your help. A copy of the plan will be sent to all members next week.

It will be a very busy weekend to kick off our fundraising for the year, with the Bunnings BBQ and Welcome to Australia Youth Exchange students BBQ. This year we have 38 students inbound and outbound students, their families, counsellors and siblings. Many thanks for all the members who will be assisting on the day.

One of our upcoming fundraiser is our Melbourne Cup Trifecta Ticket selling. We have organised a date for the working bee to fold and staple all of the tickets (2 sets this year) The date is Saturday 14th September, so your help will be greatly appreciated. More information later.

### A Blast From The Past.....

Tracy Jeffrey was a Rotary Exchange student from Canada hosted by Glenhaven in 2004-5. Tracy married Ellis Waugh, a permanent member of the Canadian Army Reserve. They have two lovely daughters: Millie and Ida.

Carolyn Landers, former member of Glenhaven R.C. and host mother to Tracy, spent a week with Tracy and her family at their home in Ottawa. She met Tracy's family and friends, spent a day in Ottawa city, visited their sheep farm, and overnights at the Jeffrey's weekend cottage next to the Ottawa River and also at the Waugh's cottage on Round Lake. Tracy then drove Carolyn and the girls to Niagara Falls, where they spent Canada Day (July 1). **Regards Rick Landers**

Dear Helen,

I am sorry for the delay in sending this email to you.

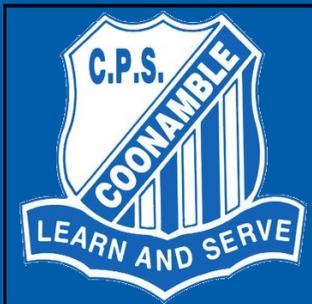

I would like thank you on behalf of the school for the books donated to our school earlier this year. They are a wonderful resource for our early readers to promote interest in and a love of STEM because they are written for the young, at an appropriate level.

We have processed them to be available for teachers to use in the classroom as needed for students. Please pass our thanks to your club.

Cheers

Annette
