President Jan's Weekly Words ...

President's report

A very small number of attendances last week, but many members reported that it was a very relaxed friendly atmosphere. Jennifer spoke about Jeans for Genes (sorry about the video not working) and as usual showed her passion for her work at the Children's Medical Research Institute.

She thanked all the girls who worked hard over the weekend at the working bee to make 500 scrunchies. These are to be sold at Kellyville Netball courts this weekend.

The small number of members present last week caused us to make a dent in our Administration account, which of course we cannot continue allow to happen. The board is very concerned and will give it top priority.

Congratulation to Annie for winning the jackpot. It was well deserved as she has been working tirelessly on our new website which will very soon be up and running. It is a very user friendly and well designed website and the Club has been looking for this for many years. Well done Annie

Our business student Evgenya enjoyed her last few days staying in a hotel in the city. On Monday she saw the production of Madam Butterfly at the Opera House and on Thursday went on the Bridge Climb. The sun was shining and she would have had a spectacular view. She flew home on Friday.

Presidents Report Continued

At the President's meeting, members from the Foundation team spoke about forthcoming events which Vino discussed at the last meeting. Please see if you can support these events:

The movie "Ride Like a Girl", soon coming to event cinema at Castle Hill. The cinema charges \$10.00 per seat and we pay \$20.00. Castle Hill and Norwest will be organising the date in mid September.

Ride the train, in support of End Polio Now. It was only in Sydney last year, but has now spread to other capital cities and New Zealand.

Our fundraising BBQ's are on in 1 weeks' time, Youth Exchange welcome to Australia, always a fun day and of course our Bunnings BBQ. Please support both of these events, it will kick off our project account.

I send our get well messages to Val who has had a nasty bout of pneumonia and Joan who has a bad attack of the flu.

FOOD BANK PROPOSED MORNING TEA VISIT

There is an opportunity for us to go and see how the Food Bank operates and to hear from their GEO Gerry Andersen. For those who may be interested in volunteering some time, you would get to see what kind of work you would be able to do during a shift.

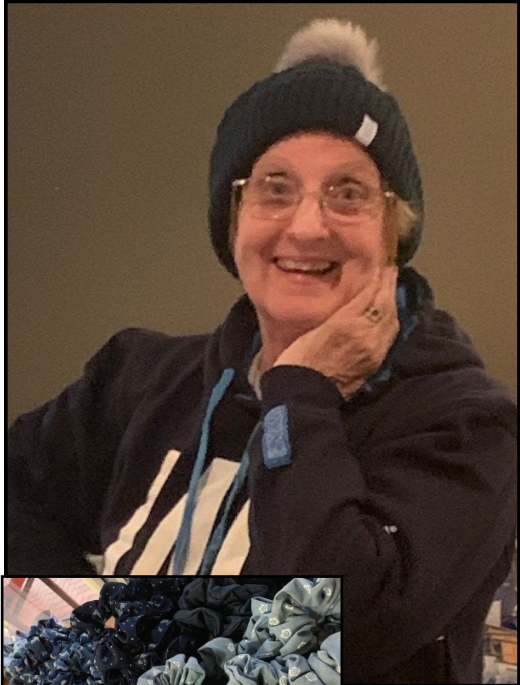

Some of the local charities that use Foodbank are:

Hornsby PCYC
Hornsby Connect
And Christian Community Aid at Eastwood.

Proposed dates that have been offered are Monday 26th August or Tuesday 27th August 10am - 12 at the Distribution Centre, 50 Owen Street, Glendenning. There is a sheet in the folder.

Thanks, Jenny

Dear Mrs Duffy,

On behalf of Children's Medical Research Institute (CMRI), thank you for your kind donation. We are very grateful for your generous support and commitment to medical research at CMRI.

CMRI research is dedicated to transforming the health of generations through fundamental research. This research aims to understand our biological development and how our genes and cells work, so that better treatments and cures for diseases can be developed.

We are a not for profit organisation and rely on supporters, such as yourself, to raise much needed funds to support our vital genetic research. Investing in research today is essential for solving the health problems of future generations.

Thank you once again for helping us work towards achieving our vision of a healthier life for all children.

Jennifer Philips
Community Relations Manager

*Dear Glenhaven members
This is an amazing donation
for such a small group but
it was a really jolly, comfortable
evening & fun.
Thank you one & all
especially the marvellous scrunchie
makers. We next wishes
Jennifer*
