President Jan's Weekly Words ...

Presidents news

Many thanks to all the members who braved the cold windy day last Sunday to man the two functions at Bunnings BBQ and Heritage Park Youth Exchange BBQ. Some worked double shifts, and others went from one venue to another. There was a report that we had a few spots of hail over the BBQ area and a couple of snowflakes fall in another area. Weather aside, both events were very successful and it goes to show that we can always rely on our members to assist at our events.

The Club Plan has now been distributed to all members and it will be presented and discussed at our meeting this week at the Entrata Restaurant. This is one of our very important meetings of the year to update members with the plans for the coming year. I do hope that most of our members will be present.

I am looking forward to our joint meeting with Norwest Sunrise at Springfield on Tuesday 3rd September. Our guest speakers will be from our local community, the CEO of Hills Community Aid and CEO of Positive Vibes Foundation. The recent survey results showed that we need to have more community involvement and this should be the start of a relationship with our local community and work towards projects.

Ride the Train for End Polio timetable is now available. I note that our Metro line is the last stations and leaves Chatswood at 22.15 arriving at Tallawong at 22.52. Please talk with Barry Philps for more information.

If you are travelling interstate or overseas and you would like to visit a Rotary Club, there is a Rotary Club Locator app available on your phone.

It was good to see Joan & Val back after a bout of illness.

Until next time

Jan Duffy
