Volume 28 Issue No. 9

TONIGHT'S PROGRAM

Lisa Harnum Foundation

Tonight we will hearing from Aileen Mountifield with an update on the Lisa Harnum Foundation and the amazing work they do aiding women in domestic violence crisis.

If you would like to help toiletry care packs can be donated tonight.

We will also be hearing from Zoe Rowntree and her Rypen experience.

In this issue

- Presidents Report
- Diabetes Alive
- Aquabox
- Our Club at a glance
- Upcoming Meetings & Jackpot
- Notices

President Jan's Weekly Words ...

PRESIDENT'S NEWS

Our Club assembly was held at Entrata last week, but a little disappointing were only 15 members present. A Club assembly is where members of the club have a chance to hear the plans for the forthcoming months and able to have open discussions with the members. Barry briefly discussed the survey results and these will be published in the Newsletter in the coming weeks. One of the most mentioned topics in the survey was to be more involved with community projects. We have organised speakers from Lisa Harnum Foundation, Positive Vibes Foundation and Hills Community Aid, all local organisations involved with domestic violence and Mental health.

Jean advised the members of the program for August and September and requested members to bring along some personal care kits for the transitional housing provided by the Lisa Harnum Foundation. Our DG Kalma McLellan will be visiting our Club on her official visit so it is important that as many members as possible attend.

Annie advised that the website is now live and up and running. Hopefully most of you have visited the site, but all you have to do is put in **glenhavenrotary.org.au** and it will take you to the site. Thanks again Annie for all your hard work. Of course it is an ongoing project and input from directors will be greatly appreciated.

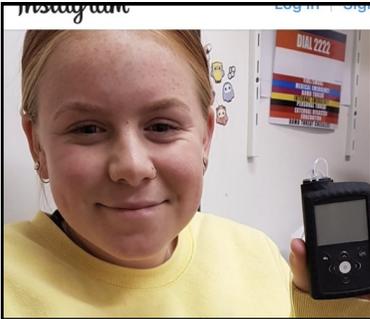

Tonight a warm welcome to Zoe Rowntree who will talk about her experience when she attended RYPEN in June, and to Aileen Mountifield giving us an update on the Lisa Harnum Foundation.

Enjoy the evening.

Until next time, Jan

Jan Duffy

Diabetes Alive

This is Ashley with her insulin pump, she took to Instagram to thank The Rotary Club of Burwood and ourselves for this life saving pump.

President Jan took her commitment to the local community to a whole new level this week and invited our local firemen to her house for a BBQ. As you can see they do not seem too impressed with Geoff's BBQ skills !!!

Philippines Collection

Donations of toothpaste and toothbrushes are needed for our annual trip to the Philippines.

Please ask your family, friends, neighbours and colleagues to donate.

Thanks From Irkutsk

Dear Barry and All,

Let me tell you that my student Evgenia Naumova safely arrived back home after an eventful month of her "Watch & Learn" internship in your part of the world.

She gave me your names and addresses to express her and our heartfelt gratitude to you for the time, efforts and willingness to share your culture, including business culture. It was certainly an enriching experience for Evgenia.

In a week's time the reports of all ten interns will be posted on the school's site (www.buk.irk.ru) for us to see what has been accomplished due to the wonderful hospitality of Rotarians and non-Rotarians in Australia, Canada and the U.S.

Thank you for your generous gestures that are very much appreciated.

Sincerely,

PDG Vladimir.F.Donskoy

1996-2019 Coordinator of the "WATCH & LEARN and Do" project

Professor Emeritus,

Irkutsk State University

Melbourne Cup Ticket Working Bee

September 14th @ Annie's House

Time 2pm

Lots of good music & dinner provided.

Masquerade Night

September 14th

Fundraiser for Philippines mission.

Castle Hill, NSW 1765

Dear President & Members,

The Rotary Club of Eltham sincerely thanks you for your donation of \$1,000 to the Aquabox project. Aquabox plays a vital role in minimising the aftereffects of disaster when the lack of, or disruption to, safe water supply and sanitation creates a breeding ground for waterborne disease including cholera and typhoid.

Since 2001, Aquabox has been a major project of our club. Each Aquabox '30' has a 75 litre capacity and sufficient filter/purification sets to provide 30,000 litres of clean water. The Aquabox 'Family' provides 2,000 litres of drinkable water, which is sufficient for a family of four for more than six months, together with humanitarian aid items. The need for clean water continues to be an absolute priority and thus the imperative of ensuring that Aquaboxes reach stricken areas promptly. They are then monitored and distributed by recipient aid agencies.

Aquabox has helped to prevent and to fight disease in many countries including East Timor, Indonesia, Sri Lanka, the Philippines, Samoa, Haiti, Pakistan, Cambodia, Solomon Islands, Papua New Guinea, Vanuatu, Nepal and India. We need to stay focused on working to alleviate suffering wherever possible.

An initiative has been launched to strengthen relationships with Rotary clubs and other NGOs in key regions, to ensure that Aquaboxes can be pre-positioned and therefore readily available in the event of a disaster. As a result, 51 of 120 'Family' boxes that arrived in Cambodia in January were recently able to be rapidly deployed by the Rotary Club of Phnom Penh to aid families made homeless as a result of a serious fire.

Your assistance and support is deeply appreciated as it assists in ensuring the viability of Aquabox and our ability to respond rapidly to regions in crisis.

A handwritten signature in black ink, appearing to read "John Skinner".
