President's News

I hope all the Dad's enjoyed their very special day on Sunday.

It was great to hear Zoe Rowntree talk about her experience at RYPEN last week, and lovely to see PP Keith Rowntree again. We have seen Zoe grow up into a wonderful mature person, and wish Zoe & Keith all the best for the future.

Our visitors from the USA hosted by The Philps are taking part in the International Travel Hosting Fellowship programme. During the meeting Roma spoke about collecting two or more of your favourite recipes to be published in the Rotary Foodies "N" Fun cookbook. I have a copy of the form that is required to be filled out if you would like to contribute. I know we have some good chefs in our club with very special recipes.

Talking about food, we shall be having a "Guess who is coming to Dinner" evening on Saturday October 12th. We start at Joyce's community room for nibbles and then you will be handed an envelope with the persons address where you are going for dinner. The hosts do not have any idea who is coming until you arrive at their doorstep, although they have specified the number of guests. We need 3 – 4 members to volunteer as a host, depending on the number of members taking part in the evening. Give it some thought; it is always a fun night. There is a small cost for the meal, yet to be determined.

Our guest speaker Aileen Mountifield spoke passionately on the subject of domestic violence and was very grateful for the gift of personal care items provided by our members to take to the transitional housing. A wonderful effort from all our members present, thank you. I shall keep in touch with Aileen to see how we can continue to offer any assistance to the Lisa Harnum Foundation.

Tonight we welcome speakers from Positive Vibes Foundation and Hills Community Aid, two local charities in the Hills.

Dear fellow Rotarians

I'm writing to thank you & your members for your recent, very generous donation to RAWCS, for the relief of our farmers who are suffering from the effects of this dreadful drought.

I can assure you that your contribution will go a long way to not only bring personal comfort to those affected, but will give a sense of hope, that someone cares.

As you know, Rotary has a history of assisting people overseas, & here in Australia, which goes back over 100 years, so you can be assured all money we receive will get to those it's intended for, as quickly as possible.

People like you, make it a pleasure for people like me, to be Rotarians.

Sincerely,

Reg Pierce PP. PHF.

Dear President & Members,

The Rotary Club of Eltham sincerely thanks you for your donation of \$1,000 to the Aquabox project. Aquabox plays a vital role in minimising the aftereffects of disaster when the lack of, or disruption to, safe water supply and sanitation creates a breeding ground for waterborne disease including cholera and typhoid.

Since 2001, Aquabox has been a major project of our club. Each Aquabox '30' has a 75 litre capacity and sufficient filter/purification sets to provide 30,000 litres of clean water. The Aquabox 'Family' provides 2,000 litres of drinkable water, which is sufficient for a family of four for more than six months, together with humanitarian aid items. The need for clean water continues to be an absolute priority and thus the imperative of ensuring that Aquaboxes reach stricken areas promptly. They are then monitored and distributed by recipient aid agencies.

Aquabox has helped to prevent and to fight disease in many countries including East Timor, Indonesia, Sri Lanka, the Philippines, Samoa, Haiti, Pakistan, Cambodia, Solomon Islands, Papua New Guinea, Vanuatu, Nepal and India. We need to stay focused on working to alleviate suffering wherever possible.

An initiative has been launched to strengthen relationships with Rotary clubs and other NGOs in key regions, to ensure that Aquaboxes can be pre-positioned and therefore readily available in the event of a disaster. As a result, 51 of 120 'Family' boxes that arrived in Cambodia in January were recently able to be rapidly deployed by the Rotary Club of Phnom Penh to aid families made homeless as a result of a serious fire.

Your assistance and support is deeply appreciated as it assists in ensuring the viability of Aquabox and our ability to respond rapidly to regions in crisis.
