President Jan's Weekly Words ...

President's News

We had our official visit from the District Governor Kalma McLellen last week, and she talked about her recent visit to New Zealand. Every year the current and past DG's meet at different locations to discuss current issues. Kalma spoke about different ways of looking at clubs and how to attract new members. She also spoke about the district getting together on 29th February for a fund raiser to break the record for the most people performing the Nutbush. The fundraiser is Purple House.

Purple House is an innovative Indigenous-owned and run health service operating from its base in Alice Springs in the Northern Territory. Now operating 18 remote clinics and a mobile dialysis unit called the Purple Truck, Purple House is getting patients back home so that families and culture can remain strong.

On 29th February we will be having our Trivia Night at the Castle Hill Bowling Club. Perhaps during the evening, we could all get together and perform the Nutbush, it could be fun!!

Bob Kaye-Smith invited all members to attend the District Conference "Reasons" to be held in Wollongong 20th– 22nd March. The two Sydney district are combining for this conference. There will be an opportunity to be home hosted by local Rotarians, more information on the district website.

We are entering a very busy period on our calendar, with OZTag every Friday for the next few weeks, and then at the end of October we are selling Trifecta tickets in 4 locations. It is very important that all club members take part so we sell the two sets of tickets. Our project account should show a substantial increase.

Presidents Report Continued ...

As we have commitments until beginning of November, I decided to postpone "Guess Who's Coming to Dinner" and have the event in January as home meetings. I think this will work well as everyone will have had a break over the Christmas period and look forward to getting together again.

This week we go to the movies to see "Ride Like a Girl". It has had excellent reviews and I am sure the 16 of us will enjoy it.

Until next time

Jan Duffy
