Stand-in President's report

Dr Mark Bechara

We were very pleased to welcome Dr Mark Bechara as our guest speaker last week. Mark gave an excellent presentation on dental health and stressed the importance of regular dental checkups, not just on your teeth but for general mouth hygiene too.

I am sure a few of us were squirming in our seats at the reminder of various dental procedures we had undergone in the past! I still think one of the worst things I've had to endure at the dentist was the application of that awful slimy fluoride goo. You tried not to swallow but couldn't spit it out nor rinse your mouth for half an hour! Root canal therapy was a breeze compared with that!

Mark turned out to be the partner of Frank's daughter, Claudia whom we welcomed to the meeting along with Frank's wife, Adele and his two sons and their partners.

Five things you don't know about me – Rhonda Radford

Rhonda shared some very interesting facts on her family background, proving she is more Australian than many of us. Rhonda is a keen sewer and had wanted to make her own wedding gown but her grandmother believed that was bad luck. She showed us the lovely gown which her grandmother had made for her wedding instead. Rhonda's own sewing talents were evident in her daughter's wedding gown which was quite a contrast in style to her own.

Netball has also played a large part in Rhonda's earlier life and she was very involved in it at a district level. Thanks Rhonda for sharing your life with us.

Melbourne Cup Sweep tickets

With the Melbourne Cup looming up in a couple of weeks' time we will be looking for lots of volunteers to sell Sweep tickets over the next two weekends. If you can help out please contact Annie Bradley. We need as many sellers as possible because this is one of our larger fund raising events.
