

Innovation Cheer

Dear Potential Sponsor,

Innovation Cheer is a brand new Allstar cheerleading program located in the West Chester area. We are excited to begin our first year with a team of dedicated, enthusiastic cheerleaders. We are committed to strengthening kids ages 12-18 through physical activity and the development of social skills, work-ethic, and self-esteem. Innovation Cheer's program requires a twelve month commitment involving the consistent development and practice of advanced skills in tumbling, stunting, jumps, and dance. These skills are then choreographed into a phenomenal routine and put to music for these spectacular cheerleaders to perform at competitions in PA, MD, and NJ.

Allstar cheerleading equips our youth with the skills they need to become strong adults in the future. The skills they learn and develop will give them the potential to earn college scholarships in the future. We hope that you will assist us in our endeavor to strengthen kids and provide opportunities for every child who wishes to participate in Allstar cheerleading to reach his or her goals. Your sponsorship will make a difference!
