

Dear Ebenezer Preschool Families,

Our school will be teaming up with Ebenezer United Methodist Church to help families in need of a food to have a meal for the holiday.

With combined efforts, we hope to collect enough food for 15 -20 food baskets to be given at Thanksgiving and Christmas. Each basket will have a turkey for the family. We can offer this by collecting frozen turkeys or Zingos Turkey Feathers. Please bring these specific items to Mrs. Clark.

Please help us in teaching our children the importance of helping others less fortunate than us. Each classroom will have a box outside their door to collect canned and boxed food.

Conferences

NOVEMBER 21ST and 22ND

Signing up for a conference for a toddler or preschooler is essential! This meeting is a formal opportunity for parents and teachers to meet one-on-one privately with no interruptions. During a 15-20 min conversation, a lot of important information can be shared and discussed. This time provides teachers an additional opportunity to go over different things relating to the classroom like updated procedures—making adjustments to a schedule or upcoming events.

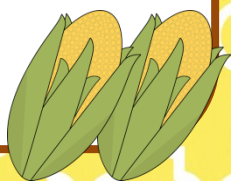

Sign up sheets will be available by each classroom doorway.

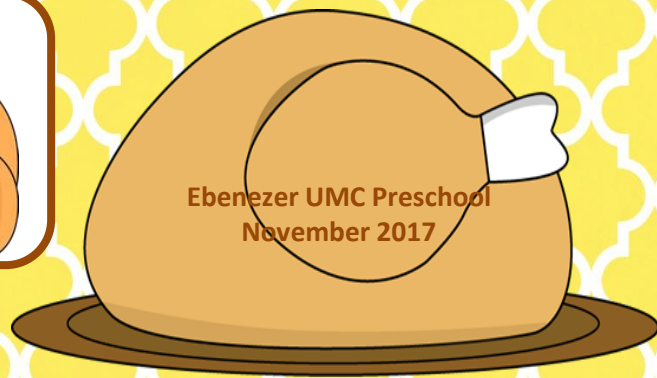

For your convenience, conferences can be in person or via telephone. When signing up for your conference time, please make a note of which option you prefer.

Lions Vision Screening

The Pike Creek – Hockessin Lions Club offers free vision screening for your child. They use the Spot Vision Screener which is a handheld, portable device that quickly and easily detects vision issues on patients 6 months of age through adult.

Please have your child's permission form filled out and returned by Monday Morning, Nov 6th
