Uniting Everyone to Restore Our Ancient Freedoms, Democracy and Prosperity

This is the first New Chartists Meeting to be held.
This is your opportunity to join in the making of history.

This is an opportunity to listen to speakers who have the provable remedies to the problems that are blighting the people of these islands & everyone on this planet

We are asking people from ALL different groups to join us, because when you're fighting your own individual battle you have very little power, but when we are joined as one, standing together as ONE! we can achieve our aims.

The list below are extracts from the requirements of New Chartists, and as you read you will see that your remedy lies within these six.

There will be an open mic questions and answers.

The future for the people is in our own hands
NOT in the hands of those who think they are masters.

1. Restoring the supremacy of our Trial by Jury Common Law Constitution.
2. Poverty and Austerity be ended immediately
3. Abolishing the secretive and corrupt Family Courts
4. Armed Services and Police Service be shielded from cut-backs
5. Fraud and deception of our Legal System be ended
6. Real Justice in the Courts be Restored
