New Year, New Beginnings

As we look back on 2017, we see so many things with God's hand on it. We saw new churches being planted in Peru, and spiritual growth in our students, and students excited to go out to new ministries following graduation. Our students will continually need prayer now as they are on their summer break (they are having summer in the southern hemisphere) and are ministering in different areas of Peru. Two students are no longer able to attend SEBIC due to personal moral issues. Pray for them. We are thankful to many who have supported us and the ministry in Peru with prayers, encouragement, and finances. We will be returning the end of February, and are asking for prayer as we prepare and pack, and say good-bye to our family.

Graduates 2017

Short Term Ministry Trips impact many individuals, here are a few experiences how God

is working in their lives and others.

Rhonda Myers was part of a short term mission work team from the former Valley View Baptist Church of Council Bluffs, IA. in 2009. The men poured a cement floor in the chapel at SEBIC. Rhonda is in the third row, third from the left.

Here is what she shares:

Jude 1:21-22 *"Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life.22 And of some have compassion, making a difference:*

One Sunday morning Pat Campbell made an announcement that the church was planning a mission trip to Peru. I went home and prayed about going. I also prayed that God would change me, and use me to make a difference in the lives of others. As a group we began to plan. It took several months we had to get passports, plane tickets, and worst of all 3 shots. All the time I prayed that God would use me. Once we were in Peru, we worked on several projects. On one occasion we made a trip to the market place where we were going to pass out Bible tracts. Not only did the people take one tract, they wanted one for their friends. After they were all passed out, I began to look around. I saw several people sitting and reading the tracts. This experience changed my life, as a result my passion for missions has increased, and God showed me that what I do for Him will make a difference.

Brittni Donahue, from Treynor, IA, was also part of the 2009 short term mission team to Urubamba, Peru. The photo is part of the team ministering at a church in Calca, Peru. Brittni is in the back row, second from the left. Here is what she shares: *I went on a short-term mission trip to Peru during the summer of 2009, right after graduating from high school. Getting to know some of the Peruvians and hearing their stories is definitely what has stayed with me the most. My decision to study Spanish in college and pursue ministry opportunities working with international students was definitely influenced by these relationships. However, what most impacted me was worshiping God with the Peruvian believers. The language and the location may have been different, but God was the same! Truly, God is present in all corners of the world, and the gospel is available for all people!*

Praises:

*Thankful and appreciative of those who partner with us in prayer and financially. You are a blessing to us and our students.

*We received a \$10,000 matching love gift and it has been matched towards the

building of the dorm.

Prayer Requests:

- *Pray for us as we have two Peru presentations in February.
- *Pray for us as we prepare for our return trip to Peru in February and our upcoming classes.
- *Pray for the new and returning students, classes begin in March.
- *Pray for leadership and administrative changes at SEBIC.
