

Pat and Wendy Campbell ~ Teaching and Ministering at Seminario Evangélico Bautista Independiente del Cusco in Urubamba, Perú

Romans 1:8 "First, I thank my God through Jesus Christ for you all, that your faith is spoken of throughout the whole world."

Pat is teaching the book of **Daniel** to the second and third year students. Daniel is a wonderful book of history and prophecy where we see God's sovereignty played out in every chapter. This book contains the well know historical accounts of Daniel and the lion's den and Shadrach, Meshach, and Abednego. It is a powerful book of prophecy and the Revelation could not be fully understood apart from the book Daniel. This book also served as an encouragement to the Babylonian exiles as well as an encouragement to believers throughout history. Pictured with Pat and the students is missionary, Lydia Whitelam, who translated.

Thank You!!!!

We want to say a special thank you to our many friends and churches that support our teaching ministry in Peru and our fund-raising efforts for the seminary when we are in the states. Each of you are a part of God's work at the seminary and we are very thankful. Many have given to the work-study scholarship fund making it possible for students to attend SEBIC. What a privilege it is for us to channel those funds to students and see them work so they can attend. I am blessed to say that I have been teaching for 43 years, and to be able to continue teaching in my later years is a blessing beyond description. Again, thank you, in Christ, *Pat and Wendy*

PASEO!!! We had the opportunity to take the students on a paseo (outing) to the city of Ollantaytambo . This city is a beautiful city in the Sacred Valley and is the place the train departs for Machu Picchu, the famous Inca Ruins. The male students rode bicycles, for two hours, through the beautiful Urubamba river valley. Other students were driven to the city and met the bikers. Once we arrived, we had the opportunity to hand out tracts and share the gospel. We are thankful seeds were planted, and praying that it was fruitful, and a growing time in the lives of the students to be “ready to share the gospel”. The girls are planning their biking paseo ☺

We want to feature some of our teammates that serve with us at SEBIC. We appreciate each one as they follow God’s call to missions in Peru. Here are a few words shared by fellow missionary **Rachel Tarvin**. “I became involved with BMM after a summer missions trip in college to Cusco.

I joined the mission in 2006 and was full time in Urubamba in 2008. I chose

BMM and Urubamba because they were involved in two things that I felt God had called me to: Theological Education and Quechua Language work.

In the seminary I do some secretarial work, translation, guest housing, discipleship, teaching, working with the students in OANSA kids' club, and 100 little things that (hopefully) help things run more smoothly.”

Here is a picture of Rachel with Wendy’s class. Rachel is translating the **Visuals and Pedagogy Class**. This class is designed to teach students how to write Bible lessons, and how to incorporate music, activities, scripture memorization and other helps to support their lessons. Puppets are introduced which can be helpful in Children’s ministries.

On a personal note: We want to thank Rachel for all that she has done for us over the years to make our ministry here possible. Our prayer is that God would continue to allow her ministry to be fruitful in shaping lives of our student’s. Thank you, Rachel, and God bless

Praises:

Thanking the Lord who has gone before us, to be used in the ministry at SEBIC.

First two modules are completed.

Prayer Requests:

That God would lead our discussions with the future decisions for SEBIC, for the Cusco Team and the Junta Directiva.

Pat’s Upcoming Class of Revelation, preparation, and for the student’s to understand the relevance and significance of the Revelation.
