

Pat and Wendy Campbell ~ Teaching and Ministering at Seminario Evangélico Bautista Independiente del Cuzco in Urubamba, Perú

Proverbs 24:3 "Through wisdom a house is built, and by understanding it is established".

***It takes a vision and a lot of prayer to build and develop a seminary.*** We moved onto the property in 2011. Just prior to the move, 15 engineers from Engineering Ministries International, came to Urubamba to enable us to develop a master plan for the seven acres of property. EMI is a network of Christian design professionals who develop people, design structures, and construct facilities which serve communities and the Church. We worked together to develop the plan. We have added two buildings from the master plan and now we believe God is leading us to what we call phase II of the master plan. Phase I gave us living space for staff and a carpenter's shop with a guest room. After much prayer and discussion we are ready for phase II. In this phase a dormitory would be built to provide our students with better living conditions and free up their present living quarters for other campus needs. A dormitory drawing is shown on the right and is estimated to cost \$70,000. If you would like to contribute to this project please send love gifts to Baptist Mid-Missions in care of **Peru Cuzco Seminary Development, # 802840** or visit the BMM site and follow directions to donate. Thank you.

Dorm

The picture above is the land where the dorm will be built. The building on the upper left is where we live downstairs. The dorm will be one floor and we hope to add a second floor in the future.

Fellow Missionary ~Highlight

**Dr. Jeff Newman from Faith Baptist Bible College, Ankeny, IA,** will be teaching at SEBIC in July. His wife, Sherry, will be accompanying him. The course will be Counseling II. Please pray for him as he prepares.

**Praises:** Our time in Peru has been fruitful. We are thanking the Lord that the classes went well and for ministry opportunities.

**We Thank the Lord for** the wonderful, hard-working national staff we work with at SEBIC.

**Thank you** for your prayers and words of encouragement.

**Prayer Requests:**

\*Please pray for us as we schedule churches to share the Peru Ministry while in the states.

\* Pray for the leadership at SEBIC and for the finances needed for the upcoming construction of the new dorm.

\***iPlayball!**, a baseball outreach ministry of BMM, will be in the Dominican Republic again this year. Pat will be leaving on June 29<sup>th</sup>. Please pray that it will be fruitful and for the coaches who will be serving in this ministry.

Hello! My name is Lydia, (pictured on the left) and God called me to missions years ago as a child, and God opened the door to Peru for the first time in 2010, after which I found myself driven to missions for two key reasons: (1) I want the world to know that God is worth this sacrifice. I have left my family, my friends, my church, my country and many comforts because HE IS WORTHY; (2) there are too many believers whose default is "I'll go if God calls" and so few whose mentality is "I will go unless God calls me to stay".

I have now been serving in Peru for over four years now. I started as an intern, and through that experience, God called me back to full time service here. My ministry is different than most as instead of bringing a Bible degree to the field, I have brought a Spanish language and education degree. I am thankful that God has a way to use my unique talents and training here at the Bible College. My main ministry is translation (transfer of written documents from English to Spanish) and interpretation (oral transfer of spoken material from English to Spanish). I also get to help with teaching the freshmen Spanish grammar course, playing in the church orchestras and the occasional fill-in teacher for AWANA. And I am reminded every day that the Christ who died for me is WORTHY and FAITHFUL. To God be the glory!

**Kids Club**-Wendy has enjoyed her year hosting the Kids Club on campus. A Bible lesson, songs, crafts or games are part of the program once a week. Many times during the week at least one of the kids will ask "Es El Club de Niños hoy?". (Is the Kids Club today?)
