WORMLEYS TO KENYA

Dear Praying Friends,

May 2018

As many of our loved ones and friends are enjoying the days of summer, we have now officially entered into the cool, rainy season here in Kenya. Each afternoon it is expected to downpour and everyone turns to find cover. Many lower places flood and roads become unpassable, it is a new, first and very wet experience for us here! Abram loves nothing more then putting on his rainboots and splashing in every single puddle, he makes sure he doesn't miss one!

One of the greatest joys that I have been able to be a part of while in Kenya is starting a Youth Leaders meeting. Several months ago, Pastor Ben and I were talking about how we could better spiritually equip the youth in the churches here in Kenya. After several hours of good conversation, we decided to start gathering all the youth leaders of the churches here in and around Eldoret town and do several sessions of teaching as well as having an extended period of time to answer questions they have about the Bible, culture, and Christianity. It has been an immense joy to spend 4-5 hours one Saturday a month, with a group of teens and young adults, teaching and discipling them side by side with a dear Kenyan pastor and friend. We are praying that God is going to use this meeting as a springboard for the youth leaders to be better able to serve the needs of their own churches.

We were very blessed and thankful to have a group of ten from Ellis Baptist church come out and spend two weeks with us! They saw and accomplished much in their time here. In spite of much rain and several roads that had turned into small rivers, we were able to make it to all of the churches and schools. It is always a joy when brothers and sisters in Christ from different places are able to sing with one another in praise to our God. We had a very busy schedule, yet they happily adapted, were super helpful, and were awesome visitors to host. They even folded all 12,000 tracts and helped hand out a good number at a local college! We are deeply grateful for their love, friendship and support.

Thank you for continuing to pray for the outreaches, pastors meetings, language studies and Bethany's pregnancy. God Bless!
