Dear Praying Friends,

March 2018

**“It is the whole business of the whole church  
to preach the whole gospel to the whole world.” Charles Spurgeon**

We are shown clearly from the Bible what the characteristics of a healthy church are to be. As groups of followers of Christ gather locally and worship God in their meeting places, God is glorified. We must be committed to keeping the church Biblically saturated and led. Structuring our times of worship to God in the church must always be driven from the Bible and the Bible alone.

This month we were able to start the first monthly book study with a group of Pastors in our area. It is an exciting time as we take almost two hours on a Saturday to sit down and discuss how we as Christians and leaders should be leading churches in a Biblically sound manner. Please be in prayer for these pastor meetings. We would truly appreciate your prayers, as well, for the teaching sessions in the Eldoret Bible college and the other speaking opportunities we have each month.

On March 24<sup>th</sup> we were able to spend the entire day out in a town called Soykot with the sweet people from Glory Bible Baptist church. We spent several hours out in their local village sharing the Gospel from house to house as well as enjoying food and fellowship with the church afterwards. It was a long and hot day, as our sunburns can testify! but it is exciting to see the fervor that many of the churches here have for reaching their communities with the true Gospel. Pray for this young church as they are saving money to purchase a permanent building.

The missionary family that we are learning from and working with has been faithfully training up leaders and helping start churches for 40 years. Our goal is to continue this work of training pastors and helping churches start. We are praying that God will use the Kenyan churches here to go into other parts of Africa with the Gospel to make disciples of Christ. Our prayer is that Kenyan missionaries who are firmly grounded in the Word of God and are supported by Kenyan churches, are able to get into countries like Somalia with the Gospel. Pray with us that God would use our ministry here for the spread of the Gospel to people who have never heard, and for the grounding in the faith of believers in Christ.
