Wormley Prayer Update - January 2018

[View this email in your browser](#)

Teaching University Students

Dear Praying Friends,

January 2018

After teaching on John 15, on what Jesus was saying to His disciples when He repeatedly told them to abide in Him, I was able to spend over thirty minutes answering questions from several Christian university students about how this abiding looks in our lives. It is a joy like none other to be able to teach God's word, then to see them respond with understanding and a hunger for more!

There are many opportunities God has been opening up for us this month. We will both be teaching at the Bible college here in Eldoret next month, as well as several small group Bible studies with believers and nonbelievers. I am especially excited to start a book study that is primarily geared towards younger pastors and Bible

Abram and friends :)

Kenyan thrift store

college students. Tomorrow afternoon I will be having a Bible study with Allen and Fanuel. These two men work in the area that we live and I have been able to spend a good amount of time with them in my Swahili practice. They are both excellent teachers! Neither of them are Christians, but they both have a knowledge of God and the Scriptures. Please pray that as we begin to weekly meet, that God would open their eyes to the beauty and Glory of Christ. There is so much more we could say but this letter cannot contain it all, maybe you will just have to come over and see it for yourself!

If God brings us to your mind over the next couple weeks, please pray specifically for these following things: wisdom in teaching His Word, openness to the Gospel for non-believers and growth for the believers, for political peace and rest in the country and lastly for continued learning in Swahili. We are so thankful to the Lord for your love, prayers and support!! We love hearing back from you and if you have any request that we can pray with you about, please let us know.

Living for Eternity,

Josh, Bethany and Abram Wormley
