

# THE Schrock FAMILY

July–Sept 2018

Dear Praying Friends,

We trust each of you are doing well and are continuing strong in the work where God has placed you. Our family is doing well and we are encouraged by what the Lord is doing here in our part of the world.

We have been having more visitors to our main Sunday service which has been encouraging. The other services continue to go well also. Several of our faithful teenagers are going through rough times in their lives and we would appreciate your prayers for them. The challenges of the teenage years are really multiplied by the lack of good, moral support in the home. Several of these teens have taken some very encouraging steps in their Christian lives, but it is a constant struggle. We believe that these teenagers are the future of the church here, so please pray for them as they are in these formative years!

Right now, we are in the middle of another door-to-door campaign to cover our entire neighborhood with church invitations and gospel tracts. Please pray that this would open more doors of ministry as the Lord brings us into contact with those who need Him the most.

In August, I had the privilege of speaking at a men's retreat for the churches in a city about 4 hours away. I was able to take Tracy and the kids and all of us were blessed by the fellowship we had with other believers for a couple of days.

I would also like to ask you to be in prayer for the upcoming elections here in Brazil in October and then for the transition time to follow. Without going into too much detail, there is a lot at stake in the presidential election and the general population seems to be very divided over it. Please pray that God would use these elections to put in place a leader that will protect and advance the religious freedoms we have here in Brazil.

We thank you for your faithful prayers and financial support. May God continue to bless each of you as you continue to serve him.

God Bless! Omar Schrock and Family,
