### Our Travels

We are thankful for the safe travels God has given us so far. As of the end of 2018 we have traveled through 15 states and have seen God's protection several times on the road.

We have been able to see some beautiful country here in America - from blowing sand of the desert to snow covered mountains. It has been a blessing to experience the four seasons again. In Uganda, it is normally only dry or wet with a temperature range between 65 and 95 degrees.

### Our Visits

God has also given us a renewal of acquaintances. It has been good to see old friends and even make new ones. In a world of many changes, we have truly been encouraged by those still faithfully serving the Lord.

We are very blessed to have such good churches, pastors, and individuals get behind us in the ministry to which God has called us in Uganda.

### Our Home

It has been good to hear reports of the continuing work in Uganda. People are being saved, baptized, and disciplined. It is exciting to see the people there following the Lord and not me.

### Our Projects

We have been truly humbled to witness the generosity of God's people as they have given so sacrificially toward the two projects we have mentioned previously.

We mentioned the need to get a good used vehicle to begin our new mountain ministry. Through the generosity of several individuals and one specific church, God has provided the money to get a new vehicle when we return. To God be the glory!!

We also mentioned the need to construct a multi-purpose Sunday School/Bible college building upon our return to Uganda. Again God has provided through the generous giving of His people, and we have over half of the money needed for this project.

### Our Family

We have had the opportunity to re-connect with many of our relatives this furlough. This past term has reminded us that time is short and family visits are important. We are thankful for these visits, no matter how brief.

We hope you all had a Merry Christmas and we pray that you will have a blessed New Year serving our Lord and Saviour.
