February 2019

Psalm 127:1 "Unless the Lord builds the house, They labor in vain who build it;.." It is our desire to impart God's Word to the students that they may live a life to glorify God in ministry.

Teaching and Ministering at the
Seminario Evangélico Bautista
Independiente del Cusco in
Urubamba, Peru

Dorm Construction Continues

The construction is on schedule with hopes of three rooms and bath rooms completed for the men's dorm when classes resume in March.

Please pray for the returning students and perspective first year students; that the Lord would go before them, preparing their hearts "to grow in the fear and knowledge of the Lord". Please pray for us as we prepare for our classes, our families, and for future opportunities of ministry in Peru.

Dear Supporters, We are very blessed to be able to continue our teaching ministry in Peru. Because of the finances given by our supporting churches and friends we are able to ministry at Seminario Evangélico Bautista Independiente del Cuzco each year as well as in the states. Our state side ministry includes reporting to our supporting churches and visiting new churches seeking support for the student scholarship fund and projects at the seminary. We are actively doing pulpit supply, VBS, and talking with various church related groups. If you would like us to come talk about what God is doing at the seminary please contact us. We are available to present starting in August 2019 through February 2020. Once again thank you so much for your financial support, encouragement, and prayer support over the years.

In Christ, Pat and Wendy
