Date: 03/05/2007

To,
The Principal
All the institutes
Conducting Diploma in pharmacy course.

Sub: Diploma in pharmacy, part III pharmacy practice training

In accordance with the ER 91. Part III of the course leading to diploma in pharmacy, to be completed by student after appearing in part II i.e. final year diploma in pharmacy examination.

The part III includes practical training under a registered pharmacist at licensed medical store/Govt/ESIS/Municipal Hospitals/Pharmaceutical Industries for a minimum 500 hours, spread over not less than 3 months.

In some Institutes the Part III, is not currently monitored or evaluated by MSBTE or the institute. The student is not checked whether he/she has really undergone training under qualified pharmacist by actually working in organization.

Since, MSBTE issues diploma certificate based on completion of part I (first year diploma pharm).Part II (final year diploma.) Part III (training) the evaluation becomes essential for quality technical manpower.

The following steps should be taken by the institute before recommending student for issuing the final certificate by the MSBTE.

1. The institute should identify places of training organization such as licensed medical stores/Govt/ESIS/Municipal Hospitals / Pharmaceutical industries and their acceptance to impart training for 500 hours duration atleast to two students.
2. Procedure to be followed prior to commencing of the training:
 - I) The Head of an Academic Training Institution, on application shall supply in **triplicate** 'Practical Training Contract Form' for Qualification as a Pharmacist to candidate eligible to under-take the said Practical Training. The Contract Form shall be as specified in **Annexure I** to these regulations.
 - II) The Head of an Academic Training Institution shall fill Section-I of the Contract Form. The trainee shall fill Section-II of the said Contract Form and Head of the Institution/Organisation agreeing to impart training, shall fill section-III of the said contract Form.
 - III) It shall be the responsibility of the trainee to ensure that one copy so filled is submitted to the Head of the Academic Training Institution and the other two copies shall be filled with the Apprentice Master or with the trainee pending completion of the training.

3. Certificate of passing diploma in pharmacy (Part – III)

On satisfactory completion of the apprentice period, the Apprentice Master shall fill SECTION IV of the Second copy and Third copy of the Contract Form and cause it to be sent to the Head of the Academic Training Institution who shall suitably enter in the First copy of the entries from the Second copy and Third copy and shall fill SECTION V of the Three copies of Contract Form and thereafter hand over both the Second copy and Third copy to the trainee.

This, if completed in all respects, shall be regarded as a Certificate of having successfully completed the Course of Diploma in Pharmacy (Part – III)

4. Student pharmacist should maintain the daily diary of prescriptions honored in a day, should get it counter signed by Apprentice Master.
5. Institute should conduct surprise inspection by sending concerned teacher atleast once in the entire period of training and also maintaining telephonic contacts for getting information about attendance/ progress of student.
6. After completion of training student is required to get evaluation sheet filled by trainer to submit to institute as per the format (**Annexure II**)

The above procedure is mandatory towards obligation of judicious evaluation and monitoring of training under part III as laid down under ER 91. This will result in the improvement of quality of assessment and implementation of curriculum Diploma in Pharmacy effectively.

Secretary,
Maharashtra State Board of Technical Education
