

Developing Independent Learning Activities through Technology

Presented by Lauren Kalember, MSN, RN-BC, CCRN

Tuesday, May 28, 2019 at 12:30 PST

Webinar Series Provided by ANPD WA, an affiliate of ANPD

Lauren is a Manager of Nurse Educators at Seattle Children's Hospital. A Board Member of ANPD WA, Lauren has been in nursing professional development since 2016 and became certified in 2018. Lauren's passions in education include using technology to meet the needs of today's adult learners. In addition to her role as a manager of nurse educators, Lauren has held roles in academia, unit based education, and PICU nursing.

Target audience: NPD practitioners, RNs interested in NPD specialty, nursing leaders

Learning Objectives:

- Explain the importance of technology in independent learning
- Explore gaps in learning activities
- Use technology to create an independent learning activity

Contact Hours: Provider approved by the California Board of Registered Nursing, Provider Number 16541 for 1.0 Contact Hours (pending).

None of the instructors, planners, or faculty/content specialists has any conflict of interest or will be discussing any off-label product use. This class has no commercial support or sponsorship, nor is it co-sponsored.

Successful Completion: View webinar in its entirety, complete online evaluation.
